

Guía de Matemática
4° Básico

Nombre: _____ Fecha: _____

Objetivo: Reforzar el calcular área y perímetro.

I. Encuentra el área de cada sección SOMBRADA. Cada bloque corresponde a 1 unidad cuadrada (u^2)

1. 52 u^2

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

11. _____

12. _____

II. Determina el área de cada figura. $1 \square = u^2$.

1. _____

2. _____

3. _____

4. _____

5. _____

6. _____

7. _____

8. _____

9. _____

10. _____

11. _____

12. _____

III. Calcula el área y perímetro de las siguientes figuras.

A = _____

A = _____

A = _____

P = _____
